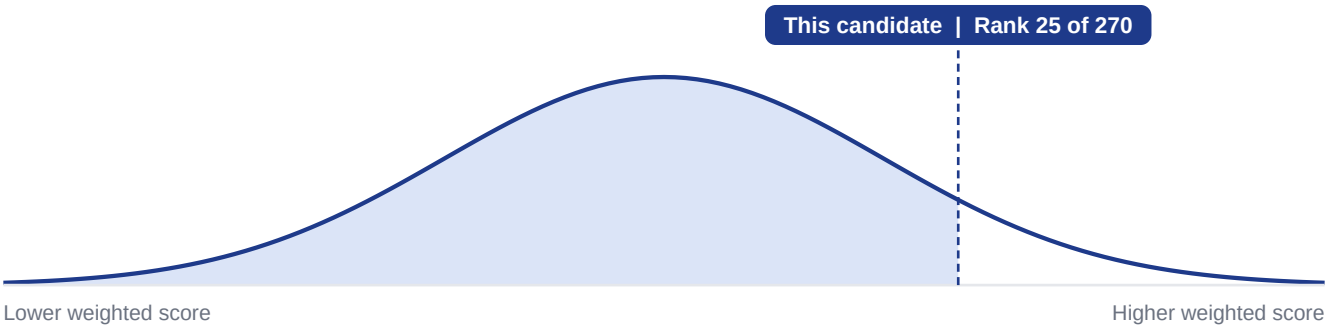
Position among candidates



Section summary

Industry Knowledge	7 / 10	Cohort average 5.0	**70%**
Functional Knowledge	17 / 20	Cohort average 10.2	**85%**
Non-Technical Aptitude	21 / 35	Cohort average 17.6	**60%**
Excel Practical	9 / 10	Cohort average 4.9	**90%**
Written Communication	14 / 15	Cohort average 8.0	**93%**

How to read this report

Scores are shown as marks obtained against the maximum for each section. The overall rank uses the weighted score, which reduces the total mark in proportion to the proctoring system's cheating probability. Candidates ranked 1-50 are Recommended, 51-200 are Promising, and the rest Not Recommended. Candidates without integrity data are not ranked.

Candidate Competency Report

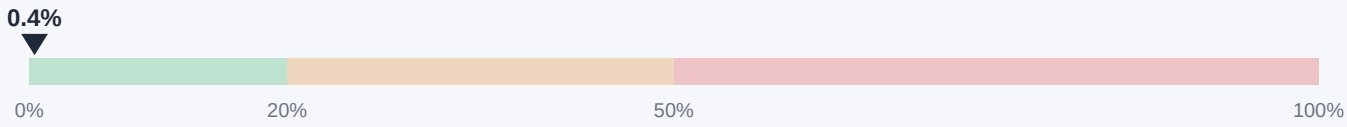
Anti-cheating monitor

Cheating probability

Low risk



Weighted score = 68 x (1 - 0.4%) = 67.73. The weighted score, not the raw total, determines rank and recommendation.

Competency profile

Management Trainee Assessment

Competency score cards

Industry Knowledge — 7 / 10

Understanding of core industry practice: quality standards, client specifications, operational performance and planning fundamentals.

Avg 5.0

Functional Knowledge — 17 / 20

Applied knowledge of the role's functional area: processes, terminology, documentation and day-to-day decision making.

Avg 10.2

Non-Technical Aptitude — 21 / 35

Situational judgement across five behavioural competencies that predict success in early-career roles.

Avg 17.6

Integrity & Ethics	7 / 7
Communication & Collaboration	3 / 7
Accountability & Ownership	2 / 7
Learning Agility	3 / 7
Analytical Reasoning	6 / 7

Excel Practical — 9 / 10

Hands-on spreadsheet tasks covering formulas, sorting and data-quality checks.

Avg 4.9

Functions & calculations	4 / 4
Navigation & sorting	3 / 4
Data quality checks	2 / 2

Written Communication — 14 / 15

A short professional message assessed on clarity of request, impact, specificity and constructive tone.

Avg 8.0
